

Thank you for taking a few moments to complete our **PTA survey!** The new 7th District PTA executive board is very interested in your opinions of current initiatives and ideas for future programs. This information will help to guide us through our decision making processes as we plan for some exciting changes for the coming school year.

Please leave the survey with your child's teacher today. Thank you!

Comments/Ideas?

We would like to make volunteering at 7th accessible and fun for all families. In order for us to determine the needs of our volunteers, please comment on why you have or have not participated in PTA initiatives in the past.

Would you participate in a 100% tax deductible "Direct Donation" fundraiser, eliminating other traditional sales-based school fundraisers (i.e. wrapping paper, coupon books, cookie dough, etc.?)

Yes, I would prefer Direct Donation

No, I prefer fundraising through sales
